Introducing The Xmas Designers

From luxury hotels, shopping malls, cruise ships, up to casinos and theatres

We design and craft unique Christmas decorations, tailored to seamlessly complement any venue and brand identity. Each piece is thoughtfully created to enhance the festive ambiance, blending creativity with exceptional quality. Our distinctive designs and immersive themes are widely recognized for their originality and craftsmanship.

All Around the World

With nine teams serving every continent, The Xmas Designers go beyond expectations, delivering exceptional value through innovative concept development, top-tier production, and seamless global distribution.

Turn Your Venue into a Holiday Landmark

Effortless setup. Timeless style. Unforgettable holidays

We turn any venue into a Christmas destination; hotels, malls, and cultural spaces alike. Easy to install, with pre-attached lights and smart packaging for an easy setup. Made from durable materials, they're built to last, store, and evolve with your future themes.

Efortless Setup

Smart design with pre-installed lights and intuitive assembly.

Built to Last

Durable, high-quality materials for many festive seasons.

Flexible and Reusable

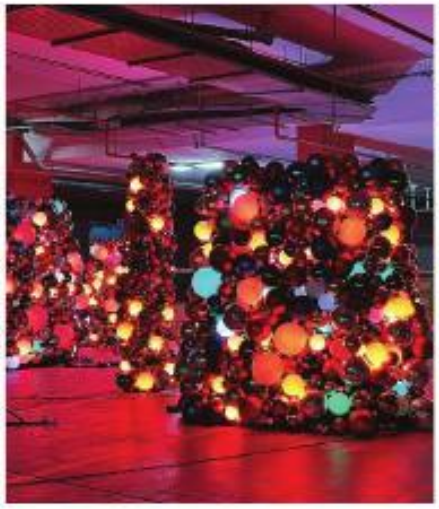
Easily refreshed to suit changing festive themes.

Sustainable Solutions

Eco-conscious products and long-term storage solutions.

Proven Expertise

Trusted by world-class hotels, malls, and iconic venues.



The Xmas Designers are the owner of this presentation and all the conceptual ideas in this presentation.
All the designs, concepts and conceptual ideas - or a part or similar version of it - may not be used or realised, without the prior written permission of The Xmas Designers.

Trusted by the World's Finest Brands

Creating Magical Moments with Iconic Hospitality Brands

The Xmas Designers proudly collaborate with the world's leading luxury hotels, creating unforgettable holiday experiences. From elegant lobbies to grand entrances, our custom Christmas designs bring magic and style to iconic hospitality spaces worldwide.

A Responsible Christmas!

Sustainable, ethical, and community focused

At The Xmas Designers, we celebrate the season with purpose. Our decorations are made to last, reducing waste and supporting long-term reuse. With flexible designs and multi-year concepts, we help create fresh looks using the same core pieces. Durable, eco-friendly packaging ensures safe storage year after year. Ethical practices, including sustainable production and a zero-tolerance policy on child labor, guide everything we do.

We produce decorations in any color you wish!

Pick any color to match your interior or corporate identity.
With a maximum of 4 color tones, we produce without any extra charge.

THE Xmas DESIGNERS

Spiral Velvet Tree

Minimalist luxury with a soft, sculptural twist

The Spiral Velvet Tree features a continuous ribbon of plush velvet winding around a sleek central core. This sculptural piece balances tactile warmth with a bold, architectural silhouette for a sophisticated holiday aesthetic.

- Seamless velvet-wrapped spiral for a clean, minimalist look.
- Rich jewel-toned palette: Deep Burgundy, Silver Grey, Royal Purple, and Forest Green.
- Base-integrated LED lighting highlights the fabric's texture and form.
- Signature metallic star topper on a matching weighted pedestal.

Striking a perfect balance between sculptural art and festive radiance

- Dual-toned spiral construction with a premium metallic finish
- Integrated LED illumination for a seamless, inner-glow effect
- Fully customizable in any color combination or finish
- Polished marble-effect base for a refined and stable presentation

Illuminated Helix Tree

The Illuminated Helix Tree features a sophisticated dual-ribbon design that spirals upward toward a brilliant star topper. With integrated lighting along its interior curves, this piece creates a soft, ambient glow that highlights its elegant architectural form, making it a premier choice for luxury lobbies and contemporary displays.

Junior Helix Tree

A charming, compact twist on contemporary design

The Helix Junior Tree brings a playful, sophisticated energy to smaller spaces. Featuring a thick, spiraling ribbon adorned with miniature ornaments and a classic star topper, it offers a modern silhouette that delights every audience.

- Sturdy, wide-ribbon spiral with a smooth matte finish
- Decorated with curated miniature baubles for a festive texture
- Available in contemporary palettes like pastel pink, sage, and deep teal

Blending organic warmth with architectural precision

Spiral Wooden Tree

- Precision-crafted from high-quality wood boards
- Rotating slat design allows for a fully customizable spiral flow
- Available in natural wood grain or vibrant matte finishes like navy, forest green, and burgundy
- Sturdy cross-base construction for a clean and stable presentation

The Spiral Wooden Tree reimagines the holiday silhouette through a series of rotating timber slats that create a mesmerizing, tiered spiral. This sustainable design offers a textured, earthy aesthetic perfect for minimalist or Scandinavian-inspired festive displays.

Vibrant Dimension Tree

Best Seller *A kaleidoscopic masterpiece of light and geometry*

The Vibrant Dimension Tree is a striking fusion of stained-glass aesthetics and modern architectural form. Its multi-faceted, translucent panels capture and refract light, creating a vivid, jewel-like glow that transforms any space into a theatrical holiday display.

- Constructed with a precision-engineered metallic frame and translucent geometric panels.
- Internal lighting highlights the vibrant color patterns for a brilliant, stained-glass effect.
- Fully customizable in various color themes, from bold multi-tones to elegant monochrome.
- Integrated illuminated circular base for a seamless, high-end floor presentation.

Redefining festive geometry with a minimalist edge **New Product**

The Lux Vision Tree is a testament to modern elegance, featuring a clean, triangular silhouette that encases a glowing inner tree form. This "vision within a vision" uses negative space and premium materials to create a sophisticated, high-end display that radiates a soft, golden warmth.

- Sleek, dual-shell construction with a precision-cut outer frame.
- Internal LED illumination creates a luminous tree silhouette.
- Available in luxurious matte finishes including deep forest, rose gold, champagne, and midnight blue.
- Topped with a signature metallic star and set on a matching weighted base.

The Sculptural Layered Tree

A bold exploration of fluid geometry and light

The Sculptural Layered Tree transforms the holiday icon into a dynamic work of art. Its asymmetrical, stacked tiers spiral upward, accented by integrated light rings that highlight its fluid, wave-like form.

- High-gloss fiberglass for a sleek, reflective finish.
- Integrated LED light rings between every layer.
- Customizable in jewel tones like forest green, teal, and purple.
- Dynamic design offering a unique perspective from every angle.

The Curvature Tree

Soft ripples of elegance and refined festive charm **New Product**

The Curvature Christmas Tree features a unique, undulating design that mimics the soft motion of draped silk. Its flowing, wave-like layers are accented by delicate metallic edging and an internal glow, creating a sophisticated centerpiece that balances organic form with modern luxury.

- Durable fiberglass construction with a premium satin finish
- Integrated LED lighting highlights the elegant, curved tiers
- Fully customizable in deep velvet tones with gold or silver accents
- Topped with a signature metallic star for a complete holiday silhouette

Contemporary Snow Layered Tree

A serene interpretation of winter's natural beauty

The Contemporary Snow Layered Tree features a series of soft, translucent tiers that capture the tranquil essence of freshly fallen snow. Its minimalist, organic silhouette is brought to life by a warm internal glow, creating an ethereal centerpiece that radiates a peaceful and sophisticated festive atmosphere.

- Constructed from premium translucent materials for a soft, diffused light effect.
- Internal LED illumination provides a gentle, ambient radiance.
- Available in elegant "Warm Frost" and "Cool Ice" lighting tones.
- Sleek, low-profile base ensures a clean and modern floor-standing presentation.

THE Xmas DESIGNERS

A dazzling prism of winter light and luxury

Crystal Ice Tree

- Crafted from high-clarity, faceted materials for maximum brilliance.
- Integrated up-lighting from a premium metallic base for a luminous, multi-tonal glow.
- Topped with a signature multi-point crystal star.
- Available in elegant clear, warm gold, and cool blue tones.

The Crystal Ice Tree is a masterwork of light refraction, featuring a multi-faceted surface that mimics the intricate geometry of natural ice crystals. This high-impact design captures and disperses light through its sharp edges, creating a brilliant, high-fidelity shimmer for any luxurious setting.

The Refraction Tree

A symphony of scattered light and glass-like elegance

- Precision-cut translucent panels designed for maximum light diffusion.
- Powerful integrated central LED core for a brilliant, warm-tone projection.
- Elegant metallic internal structure with a polished gold-tone finish.
- Compact, circular base that anchors the display while maximizing the light's reach.

Height
200 cm
250 cm
300 cm

The Refraction Christmas Tree is a striking installation that masterfully manipulates light through its layered, angular panels. Designed to create a dramatic floor-scatter effect, its central light source projects a radiant, patterned glow that transforms any environment into a high-end theatrical experience.

THE Xmas DESIGNERS

- Hand-crafted, detailed monstera leaves available in botanical green or a stunning transparent finish.
- Integrated warm-tone LED lights tucked behind the foliage to create a dramatic backlit gold effect through the transparent leaves.
- Topped with a signature metallic star for a refined finishing touch.
- Available in classic natural green or a high-end transparent-to-gold light-reactive display.

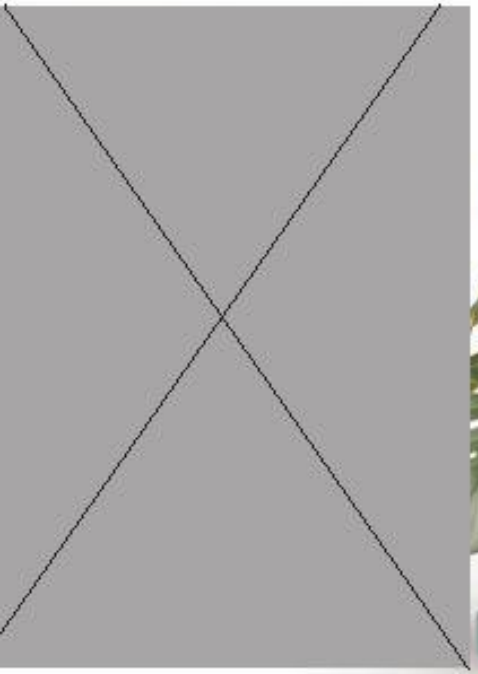
Tropical Monstera

New Product — *A bold, botanical reimagining of festive tradition*

The Tropical Monstera Tree brings an exotic, sophisticated flair to the holiday season by replacing traditional needles with lush, oversized monstera leaves. This sculptural piece blends organic textures with an architectural central core, creating a theatrical "winter in paradise" aesthetic that is both contemporary and high-impact.



THE Xmas DESIGNERS

Floating Illumination Tree

A lightweight architectural wonder of suspended light **New Product**

The Floating Illumination Tree reimagines the traditional festive silhouette through a minimalist, weightless design. Featuring a series of delicate, glowing rings suspended from a central core, this piece creates a shimmering, transparent effect that adds a refined theatrical touch to any luxury space.

- Precision-engineered gold-tone metallic rings that appear to float in mid-air.
- Integrated micro-LED illumination providing a seamless, 360-degree ambient glow.
- Ultra-slim central structure with a matching polished weighted base for maximum stability.
- High-fidelity, minimalist design perfect for contemporary and upscale environments.

300 cm

A whimsical celebration of festive gift-giving and elegance

The Bow Christmas Tree transforms the holiday silhouette into a sculptural stack of grand, shimmering ribbons. This theatrical design captures the essence of a perfectly wrapped gift, featuring intricate, textured loops that spiral upward to create a bold and charming centerpiece.

- Crafted with high-quality, textured ribbon tiers in a variety of festive finishes.
- Available in vibrant holiday palettes including emerald green, champagne gold, royal blue, and ruby red.
- Topped with a signature metallic star and set on a matching polished gold-tone base.
- Integrated internal lighting highlights the rich textures and elegant curves of each bow.

Wrapped Light Christmas Tree

- Elegant triangular glass casing with a premium metallic frame.
- Internal tree features dense foliage, natural pinecones, and spiraling velvet ribbon accents.
- Topped with a signature oversized velvet bow available in matching color themes.
- Integrated ambient lighting within the base and frame creates a warm, cinematic glow.

The Wrapped Light Christmas Tree offers a sophisticated, museum-grade presentation of the classic holiday evergreen. Enclosed within a sleek, glass-paneled pyramid frame, a lushly decorated tree is spiraled with rich velvet ribbons and natural pinecones, creating a high-end "gift-box" aesthetic that is both preserved and radiant.

New Product *A nostalgic journey through a miniature festive village*

Winter Wonderland Christmas Tree

- Tiered, frosted foliage platforms with integrated warm-white lights.
- Highly detailed miniature village scenes including a carousel, windmill, and train.
- Moving mechanical components for a dynamic and engaging holiday experience.
- Grand architectural design with a matching star-crowned carousel topper.

The Winter Wonderland Tree is an intricate, multi-tiered masterpiece that tells a holiday story. Featuring snow-dusted branches that double as platforms for a charming, illuminated village, this tree includes moving elements and classic architecture to create an immersive, nostalgic display.

Organic Decorations

New Product *A celebration of organic texture and woodland warmth*

Rustic Driftwood Christmas Tree

- Constructed from authentic, sustainably sourced wooden branches with visible grain and natural bark textures.
- Intricate, hand-assembled layering creates a dense and dimensional sculptural form.
- Open-frame base design allows for subtle integration of floor-level accent lighting.
- Neutral earth tones provide a versatile foundation for organic styling.

The Rustic Driftwood Tree brings the serene beauty of the forest indoors through a handcrafted, layered design. Composed of natural wooden branches meticulously arranged in a tiered, conical silhouette, this piece offers a tactile and grounding alternative to traditional festive decor, perfect for lodge-style or minimalist natural environments.

New Product

A fluid, artisanal embrace of natural elements

The Willow Vine Christmas Tree

- Hand-crafted from flexible, organic vine-wood with a smooth, natural finish.
- Intricate interwoven design that creates a dense, multi-layered textural appearance.
- Slim, tapered silhouette perfect for grouping or standing as a singular statement piece.

The Willow Vine Tree offers a softer, more rhythmic take on rustic decor. Featuring thousands of hand-woven, curved wooden vines that twist and flow upward, this tree creates a sense of organic movement. Its intricate, interwoven texture provides a high-fidelity look that brings a warm, artisanal touch to any luxury holiday setting.

New Product *A soft, bohemian take on traditional festive texture*

The Jute Fringe Christmas Tree

- Hand-crafted layers of high-quality jute fringe for a dense, shaggy texture.
- Organic, tapered silhouette that mimics the natural flow of an evergreen.
- Anchored by a solid, light-toned wooden base for a clean, natural finish.
- Neutral earth-toned palette that serves as a versatile backdrop for organic or metallic accents.

The Jute Fringe Tree brings a tactile, artisanal warmth to the holiday season. Featuring multiple layers of finely frayed jute fibers that drape like soft foliage, this tree offers a relaxed yet sophisticated aesthetic that perfectly complements neutral and bohemian-inspired interiors.

New Product *A structured, linear approach to natural festive design*

The Woven Branch Christmas Tree

- Hand-assembled using bundles of fine, natural twigs to create a sophisticated linear texture.
- Architecturally elevated on a slender wooden trunk and a solid, square-cut block base.
- Finished in a sun-bleached, natural wood tone that complements minimalist, lodge, or coastal interiors.

From architectural edge to rustic holiday decor. By meticulously layering slender wooden branches in a precise horizontal arrangement, this design achieves a sharp triangular silhouette that balances the raw beauty of natural timber with a clean, contemporary structure.

New Product *A masterwork of geometric precision and paper-craft elegance*

Origami Christmas Tree

- Features intricate, sharp-edged star modules in varying sizes.
- Integrated internal lighting provides a deep, faceted glow.
- Available in Luxe Black & Gold, Classic White, Soft Pastel, and Midnight Blue.
- Topped with a 3D geometric star on a weighted gold-finish base.

The Origami Christmas Tree is a stunning blend of traditional artistry and modern design. Composed of meticulously folded star modules, its multi-dimensional surface creates a complex play of light and shadow, resulting in a centerpiece that is both delicate and architectural.
